

Makeup Brush Cleaning Guide

CleanMol - GTA Home Care Guide 2026

The Right Way to Wash

1 Rinse tip-down

Keep water on the bristles, never up into the ferrule.

2 Use a gentle cleanser

Brush soap, baby shampoo, or a mild bar soap.

3 Swirl, do not mash

Work a lather on your palm or a silicone mat.

4 Rinse until clear

Keep going until the water runs completely clean.

5 Dry flat over an edge

Heads over the counter edge, never upright.

How Often

1 Foundation brushes

Once a week.

2 Sponges

Every use or two.

3 Eye brushes

Every 1 to 2 weeks.

4 Powder and blush brushes

Every 2 weeks.
